

Our meals

Let's start to explain the most typical food we've got in Mallorca, and where they come from (nature, animals...)

2nd of primary

(Almonds (Almond tree))

Almonds are very healthy nuts, in Mallorca we have a lot of Almond trees is one of the most common trees here. We eat almonds raw or toast, and we cook a lot of deserts with them

Sobrassada (pig)

Sobrassada is a kind of pasta made with pig meat that people usually eat in winter with bread.
It comes from the pig.

Olives are the fruit of the olive tree we use to eat olives like an aperitif and our olive is the best in the world.

Tumbet (vegetables)
Tumbet is a delicious dish. We cook with potatoes, red pepper, tomatoes.

Paella

Paella probably is the most famous Spanish rice meal all around the world. It can be different every time. vegetables Paella, seafood Paella, chicken Paella, etc.
